📍 Cairo

Technical Skills

- **Programming Languages:**
  Proficient in Python and C++
- **Data Structures & Object Orientated Programing:**
  Solid understanding
- **Version Control:**
  Experienced in using Git
- **Quick Learner**

Soft Skills

- **Communication:**
  Strong verbal and written communication skills.
- **Teamwork:**
  Proven ability to collaborate effectively in group settings, contributing to shared goals.
- **Adaptability:**
  Adept at adjusting to new technologies and challenges.
- **Time Management:**
  Well-organized and able to prioritize tasks efficiently to meet deadlines.

Languages

English -> Advanced
German -> Intermediate

About Me

Aspiring first-year computer engineering student with a passion for coding and problem-solving. Eager to apply theoretical knowledge to real-world challenges. Strong team player with excellent communication skills, committed to continuous learning.
Experience

Paint for Kids App Project | [10/2023 - 12/2023]
- Role: App Developer
- Responsibilities:
  1- Applied Object-Oriented Programming principles in C++ for app development.
  2- Designed and implemented interactive features for a child-friendly painting app.
  3-Collaborated with UI/UX designers to enhance user experience.
- Skills Acquired:
  1- Object-Oriented Programming (OOP) in C++
  2- UI/UX collaboration
  3- Problem-solving in app development

Smart Blind Stick Project | [12/2022 - 1/2023]
- Role: Lead Developer
- Responsibilities:
  1- Implemented Arduino-based system for smart blind stick functionality.
  2- Integrated sensors for obstacle detection and alert mechanisms.
  3- Collaborated with team members to troubleshoot and refine the project.
- Skills Acquired:
  1- Hardware integration
  2- Arduino programming
  3- Problem-solving and debugging

Education Background

2022 – now   Cairo University Faculty Of Engineering

2019 – 2021   Al-Zahraa School
